

### Features

- High integration with weighing, cash register and printer, real-time interaction to improve settlement efficiency
- Intel® Celeron® Processor J6412 Quad Core Chip
- Support for multi-screen display
- Multiple printing options available, enriching application scenarios
- Elkhart lake platform, supporting extensive expansion and system integration
- To add a camera to develop AI applications

### Specification

ITEM	DESCRIPTION
Operation Display	15.6" LCD, 1366x768 / 1920x1080 (optional)
Touch Solution	15.6" capacitive multi-point touch
Customer Display	10.1" LCD, 1024x600 / 1280x800 (optional)
CPU	Intel® Celeron® Processor J6412 (up to 2.60 GHz)
Printer	80mm thermal receipt printer, 150mm/s, 8dot/mm 58mm thermal receipt printer, 90mm/s, 8dot/mm(optional)
RAM	4GB/8GB(optional)
ROM	128GB
Ports	1xTCP/IP Ethernet 1x RJ12 for cash drawer 1x RS232 or 1x HDMI 4x USB WIFI IEEE 802.11 b/g/n 1x Line_out, 1xMic_in
Operation System	Windows 10
Housing Color	Dark gray
Weighing Range	6kg / 15kg
Weighing Accuracy	2g / 5g
Minimum Weighable	40g
Speaker	In-built speaker (3W)
Scale Pan	Stainless steel / Glass (randomly available)
Camera	Optional available
